

### **Supply List: K, 1, 2, 7, and 8<sup>th</sup> (Art Supplies Only)**

We have found that having the teachers purchase and pass out school supplies has not only saved families money but has helped us avoid students coveting of other's supplies. We teachers have the opportunity to buy items in bulk and get the types of supplies that we have found to be the best value for our needs.

Please bring the few items checked on the supply list on the first day of school. To cover the cost of all other supplies needed, we will be charging your account by the following scale:

Grade	Charge	Notes
K	\$20	
1	\$30	
2	\$30	
7	\$40	
8	\$20	Art supplies only. See supply list for additional items you will need to purchase.

Thank you for your understanding in this matter. Have fun buying your supplies for home use and enjoy your summer.
